Shafted in Shaftsburg

G

Now I've been shafted in Shaftsburg, -----D7--G Been lynched in Lynch-burg town; I've been sharpened in Flint, -----D And Highland's got me down; ----G I'm all washed up in Bath, C-----D7-G Impaled in Lans-ing too; -----E Yes, I've been shafted in Shaftsburg, -----G Come on and get shafted too! -----E Yes, I've been shafted in Shaftsburg, -----G Come on and get shafted too!

I got fed up in Eaton Rapids, In Custer I made my stand; I got crocked in Potterville, In Mason I was canned; Reformed in Westphalia, Benton Harbor straightened me out, But the shafting I got in Shaftsburg 'Twas dreadful there can be no doubt! *The shafting I got in Shaftsburg* '*Twas dreadful there can be no doubt!*

I lost my bearings in Wheeler, And Hamburg ground me down; I was given the bird in Pigeon And Fowlerville's a chickenshit town; I got riled up in South Riley, Ran amok in Menominee, (Menominee, Menominee), But when you come to Shaftsburg, You'll be shafted I guarantee! When you come to Shaftsburg, You'll be shafted I guarantee! I got mixed up in Cement City, Muskegon raised a stink; You can't get high in Lowell, Hart's got no soul I think; I've been glum in Lum, Taken for a ride in Cadillac; But once you're shafted in Shaftsburg, You know you're never coming back! Once you're shafted in Shaftsburg, You know you're never coming back!

Now I lost my head in Bad Ax, And Hell, it wasn't so hot; I got fucked over in Climax, And Hillsdale left me flat; I've been socked in Argyle, Swamped in Grand Marais, But when you're shafted in Shaftsburg, You know you're gonna stay that way! *When you're shafted in Shaftsburg, You know you're gonna stay that way!*

I put up my dukes in Ellington, Got locked in the Kalamazoo; I got the trots in Flushing And see-sawed at the Sault; I got stoned in Petoskey, Balmed in East Gilead; But once you're shafted in Shaftsburg, Nothing else is quite as bad! Once you're shafted in Shaftsburg, Nothing else is quite as bad!

I was polished off in Brighton, In Lyons I lost my pride; I was fleeced in Shepard, In Frankenmuth I got fried; I was blown away in Galesburg, And Howeled all the way home; When you're shafted in Shaftsburg, You know it's time to roam! When you're shafted in Shaftsburg, You know it's time to roam! I was cast out of Eden, In Paradise I was lost; I was damned in Holland, In Thunder Bay, tempest tossed; Tehquamenon was my downfall But, Eureka, I saw the light; When you're shafted in Shaftsburg, You know it's time for flight! *When you're shafted in Shaftsburg, You know it's time for flight!*

I got plastered in Paris, In Rosebush I got ripped; I got tanked in Sherman, In Beacon I was lit; Fell off the wagon in Temperance, In Brunswick I got stewed; When you're shafted in Shaftsburg, Nothing else is quite as crude! *When you're shafted in Shaftsburg, Nothing else is quite as crude!*

I drifted through Grand Rapids, At Big Rock I was sunk; Coldwater was a chilling experience, Hemlock had a lot of punch; Saginaw was a big letdown, And Paw Paw's a fruity place, But once you're shafted in Shaftsburg, You've known real disgrace! Once you're shafted in Shaftsburg, You've known real disgrace!

(Repeat first verse)

Notes:

"Shafted in Shaftsburg" was composed by Charlie Ipcar and Maxine Parshall, © 1975, after an inspiring road trip to the "thumb" of Michigan. It has been recorded by Michigan's Lady of the Lake and was rumored to have been the theme song of a 1980s road show with Kitty Donohoe who has also made a recording of it.
